

## **1. Introduction**

Welcome to DeepMine AI. By accessing or using our cloud mining services, you agree to be bound by these Terms of Service. Please read them carefully before using our platform.

DeepMine AI empowers users to harness AI and cloud mining for effortless daily profits. Our platform leverages advanced artificial intelligence to optimize cryptocurrency mining operations on the cloud.

## **2. Service Description**

DeepMine AI provides cloud-based cryptocurrency mining services powered by artificial intelligence. Our services include:

- **AI-Powered Mining:** Advanced algorithms optimize mining operations 24/7
- **Multiple Mining Servers:** Access to various server configurations (H800, H200, A100, RTX 4090)
- **Automated Profit Generation:** Daily profit generation based on your selected mining server
- **Referral Program:** Earn 10% commission on referrals and 5% on second-level referrals
- **Daily Check-in Bonus:** Claim \$1 bonus daily before 5:00 PM UK time

## **3. Transparency & Server Lock-in Policy**

**IMPORTANT:** Our project is completely transparent, with no hidden mechanisms. Our only requirement is to guarantee that every user earns money.

### **3.1 Server Purchase Lock-in Period**

**Withdrawal is not allowed midway during the server contract period.** When you purchase a mining server, you commit to the full contract duration.

**Example:** If you purchase a server for \$500 with a 180-day contract:

- You **cannot withdraw** or resell the server within days 1 to 179 after purchase
- Withdrawal becomes available only after completing the full 180-day contract period
- This applies to all server purchases regardless of the price or contract duration

### **3.2 Why This Policy Exists**

This policy ensures:

- Stable mining operations and consistent returns for all users
- Fair distribution of mining resources across our network
- Guaranteed profitability for committed users
- Protection of our AI-optimized mining infrastructure

### **3.3 After Contract Completion**

Once your server contract period is complete (e.g., after 180 days), you have full flexibility to:

- Withdraw your initial investment plus accumulated profits
- Reinvest in a new or upgraded mining server
- Transfer funds according to our withdrawal policies

## **4. Account Registration**

To use DeepMine AI services, you must:

- Be at least 18 years of age
- Provide accurate and complete registration information
- Use the invitation code **FIO3081** during registration
- Maintain the security of your account credentials
- Notify us immediately of any unauthorized access

## **5. Investment & Minimum Requirements**

Our platform offers various mining servers with different investment levels:

- **Minimum Investment:** Starting from \$500 (RTX 4090 24G servers)
- **Maximum Investment:** Up to \$50,000 (H800 8400G servers)
- **Server Options:** Range from entry-level RTX 4090 to high-performance H800 systems
- **Contract Periods:** Typically 180 days with daily profit generation

Each server generates different daily profits based on its computational power and configuration.

## **6. Profit Distribution & Calculations**

Profits are calculated and distributed based on:

- Your selected mining server's daily output (measured in M/d)

- Real-time cryptocurrency market conditions
- AI optimization efficiency
- Network mining difficulty

Daily profits are automatically credited to your account. You can track your earnings in real-time through our dashboard.

## 7. Referral Program

Our referral program rewards users who invite others:

- **Level 1:** Earn 10% commission on direct referrals' mining profits
- **Level 2:** Earn 5% commission on second-level referrals' mining profits
- Commissions are calculated daily and added to your account
- No limit on the number of referrals you can make
- Your unique referral code: **FIO3081**

## 8. Daily Check-in Bonus

Active users can claim a daily bonus:

- \$1 bonus available daily before 5:00 PM UK time
- Must log in and manually claim the bonus each day
- Unclaimed bonuses do not roll over to the next day
- Bonus is immediately credited to your account upon claiming

## 9. Withdrawal Policy

Withdrawals are subject to the following conditions:

- Withdrawals are only permitted after completing the full server contract period
- During the contract period (days 1-179 for a 180-day contract), no withdrawals or resales are allowed
- After contract completion, withdrawals can be processed within 24-48 hours
- Minimum withdrawal amount may apply
- Withdrawal fees may be deducted based on the cryptocurrency network

## 10. Risk Disclosure

Cryptocurrency mining involves risks that users should understand:

- **Market Volatility:** Cryptocurrency values fluctuate and may affect profit calculations
- **Mining Difficulty:** Network difficulty adjustments may impact mining output
- **Technical Risks:** Hardware or network issues may temporarily affect operations
- **Regulatory Changes:** Cryptocurrency regulations may change in different jurisdictions
- **Lock-in Period:** Funds are committed for the contract duration and cannot be withdrawn early

Past performance does not guarantee future results. Invest responsibly and only what you can afford to commit for the contract period.

## 11. Prohibited Activities

Users are strictly prohibited from:

- Creating multiple accounts to abuse bonuses or referral programs
- Using automated bots or scripts to manipulate the platform
- Attempting to hack, disrupt, or compromise our systems
- Engaging in fraudulent activities or money laundering
- Misrepresenting or providing false information
- Attempting to circumvent the server lock-in policy

Violations may result in account suspension and forfeiture of funds.

## 12. Service Availability

We strive to maintain 99.9% uptime, but we cannot guarantee uninterrupted service.

DeepMine AI reserves the right to:

- Perform scheduled maintenance with advance notice
- Suspend services temporarily for security or technical reasons
- Update or modify features to improve user experience
- Discontinue certain mining servers based on market conditions

## 13. Privacy & Data Protection

We take your privacy seriously:

- Personal information is encrypted and stored securely

- We never share your data with third parties without consent
- KYC (Know Your Customer) verification may be required for large withdrawals
- Transaction history is maintained for regulatory compliance

For detailed information, please refer to our Privacy Policy.

## **14. Limitation of Liability**

DeepMine AI and its affiliates shall not be liable for:

- Losses resulting from cryptocurrency market volatility
- Damages caused by user negligence or security breaches
- Interruptions due to force majeure events
- Third-party service failures (payment processors, exchanges, etc.)
- Loss of profits or investment during the contracted lock-in period

Our total liability is limited to the amount of your active investment on the platform.

## **15. Modifications to Terms**

We reserve the right to modify these Terms of Service at any time. Changes will be:

- Posted on this page with an updated "Last Updated" date
- Notified to users via email or platform notifications
- Effective immediately upon posting unless otherwise stated

Continued use of the platform after changes constitutes acceptance of the modified terms.

## **16. Governing Law**

These Terms of Service are governed by international cryptocurrency regulations and the laws of applicable jurisdictions. Any disputes shall be resolved through arbitration in accordance with international arbitration rules.

## **17. Contact Information**
